### Day 1: Thursday 20 August Vancouver

Boasting mountains, sea, culture, art and so much more, many cities claim to have it all, but few can back it up like Vancouver. Famously livable, just visiting this highrise city - surrounded by staggering natural beauty - is a thrill.

### Day 2: Friday 21 August Cruise Inside Passage

Navigate through the intricate outlays of some of Alaska's most staggering winter scenery, threading a needle between craggy, snow-dusted islands, and slipping glacial giants. A common sailing route due to its calm sheltered waters, gorgeous natural set pieces constantly play out here - whether it's killer whales accompanying you through the breathtaking icy passages, harbour seals catching a break on floating hunks of ice, or wisps of cloud clinging to distant mountain peaks.

### Day 3: Saturday 22 August Ketchikan, Alaska

Ketchikan is famous for its colourful totem poles, rainy skies, steep-as-San Francisco streets, and lush island setting.

### Day 4: Sunday 23 August Juneau

Juneau is Alaska's capital and third-largest city. Perhaps because of its colourful history, Juneau is full of contrasts. Its dramatic hillside location and historic downtown buildings provide a frontier feeling, but the city's cosmopolitan nature comes through in fine museums, noteworthy restaurants, and a literate and outdoorsy populace. Here you can enjoy the Mt. Roberts Tramway, plenty of densely forested wilderness areas, quiet

bays for sea kayaking, and even a famous drive-up glacier.

### Day 5: Monday 24 August Skagway

The town is an amazingly preserved artefact from North America's biggest, most-storied gold rush. Nearly all the historic sights are within a few blocks of the cruise-ship and ferry dock, allowing visitors to meander through the town's attractions at whatever pace they choose.

### Day 6: Tuesday 25 August Sitka

It's hard not to like Sitka, with its eclectic blend of Alaska Native, Russian, and American history and its dramatic and beautiful open-ocean setting. This is one of the best Inside Passage towns to explore on foot, with such sights as St. Michael's Cathedral, Sheldon Jackson Museum, Castle Hill, Sitka National Historical Park, and the Alaska Raptor Center topping the town's must-see list.

### Day 7: Wednesday 26 August Cruise Hubbard Glacier

Hubbard Glacier, off the coast of Yakutat, Alaska, is the largest glacier in North America, with a calving front that is more than six miles wide. It has been a very active glacier, experiencing two major surges in the past 30 years.

### Day 8: Thursday 27 August Seward (Anchorage)

It is hard to believe that a place as beautiful as Seward exists. Surrounded on all sides by Kenai Fjords National Park, Chugach National Forest, and Resurrection Bay, Seward offers all the quaint realities of a small railroad town with the bonus of jaw-dropping scenery.
